Dear Sir

The following sections are covered under your policy:

*Security Risks (Basic Cover)	R500 000 per claim/per period
*Firearm Cover	R500 000 per claim/per period
*Fidelity (Dishonesty of guards/employees)	R250 000 per claim/per period
*Employers Liability (Workman's Compensation 'top-up')	R500 000 per claim/per period

The policy is underwritten by Lloyds of London (75%) and SRU (25%) and the **Limit of Cover can be selected in accordance with the Contract Conditions with your client.** The policy is based on claims resulting in loss, damage, injury or death to the client due to the negligence or willful disregard of duty by the guards and the standard excess per policy wording will apply.
